Fucking Incredibly Bummed. I had a wonderful time at an awesomely Patriotic event... then when I get out and start looking at news and social media, I realize the narrative was completely hijacked, and the deep state and swamp used it to legitimize voter fraud.

I'm just so fucking mad. A wonderful historical event was hijacked and stolen from us. I'm sorry for concernfagging or dooming or whatever, but I am just irate right now. They played us like a damn fiddle.

24 ▼ You didn't actually think they would report this accurately did you?

The media buildings need to be stormed at the same time. The media is one of our enemies.

1 Why did you expect anything different? If you sat around in a drum circle singing kum ba yah they would have said the exact same thing. They are never going to give us fair or accurate coverage, but the bright side was this was a real show of force, a real will to power move that leftist have. It also exposes a lot of thing subconsciously, the horrible hypocrisy of the left and it exposes how weak they actually are. They spent months rioting and protesting against the police and the government and it amounted to nothing than harassing normal people while MAGA crowd stormed the capitol building on a whim and made congress run away.

1 You're reaction is wrong.

▼ You should already me assuming this will happen, and we should already be planning our next three counter moves.

If we win, we can correct the history.

▼ Great concept went to shit the moment ya'll started pepper spraying cops and forcing your way into the building.

I'm incredibly bummed you guys did this too. Lots of people that were going to object, now aren't.

Because you guys had no self control.

7 We were literally let in. The police opened the gates. You truly think it's that easy to just "break in" to the capitol?

5 Shut up. The left never gets shamed out of their commitments when BLM or Antifa go insane, and even the most uncontrolled Trump supporter today was tame by the left's standards.

Don't blame the Trump supporters for the utter cowardice and spinelessness of these unprincipled Republicans.
